

COUNT YOUR EGGS!

Age 3+ 2-4 Players

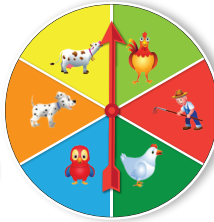

INSTRUCTIONS

Includes

- 1 Game board
- 1 Character Pawn

- 1 Spinner
- 40 Egg Tokens

Object: To collect the maximum number of egg tokens.

Set up: Open the game board and lay it on a flat surface. Place Mr. Eggsie on the start space. Scatter the egg tokens around the farm, but not on the path. Place the spinner nearby.

How to Play: On your turn, spin the spinner and move Mr. Eggsie on the path to the next space that matches the picture on the spinner. As you move Mr. Eggsie, count aloud the number of space he moves. Collect that number of eggs from anywhere on the game board. It's now the next player's turn.

+1 Egg

There are five blue spaces on the board that have an egg in addition to the picture. If you land on one of these spaces, collect one additional egg.

The Farmer

If the spinner lands on the farmer, you must take one egg from your collection and put it back on the farm. If you spin the farmer before there are any eggs in your collection, nothing happens and it is the next player's turn.

Game End

When Mr. Eggsie reaches the last space on the board, the game is over. The player to have collected the maximum number of eggs wins!

Warning. Not suitable for children under 36 months. Small parts.
