RULES OF PLAY:

1. Sort the cards by colour and place in three separate piles face down.
2. Each player (or team of players) chooses a playing piece and places it at START.
3. The oldest player goes first.
4. Player spins the spinner and moves his/her Playing Piece the appropriate number of spaces.
5. Player lands on a red, blue or green space, then picks the corresponding colour card without showing it to the other players. The card will show either an action (red cards), an animal (blue cards) or an object (green cards). Without speaking (sounds may be used), player acts out the picture. All other players guess until someone correctly identifies the action, object or animal.
NOTE: *The player's acting does not need to imitate the picture, but can represent the action, animal or object.*
6. A player's turn ends when the picture is correctly identified by another player.
7. Play rotates clockwise and the next player spins the spinner and moves.
8. When a player reaches the FINISH, the player chooses either a red, blue or green card, then acts out his/her final turn.
9. Play continues until all players reach FINISH.
